

Offenheit & Creative Commons

— *Magdalena Reiter* —

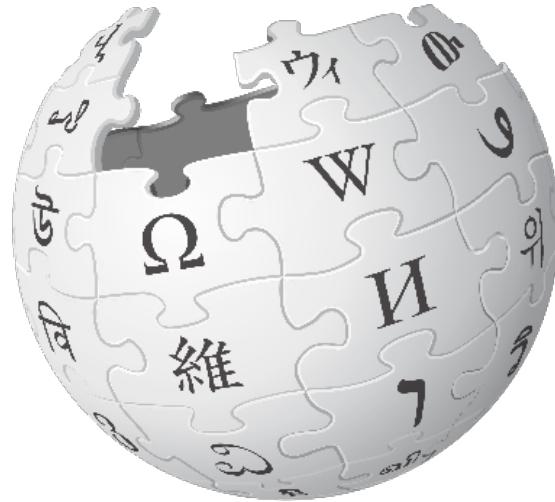

Das **Großartige** am Internet ...

... ist das Teilen!

Wie **erkennt** man, dass
etwas geteilt werden darf?

...durch offene Lizenzen!

(= Erlaubnis)

OFFENES WISSEN

OFFENE LERNUNTERLAGEN

3 Prinzipien versucht **Offenheit** zu
erlauben ...

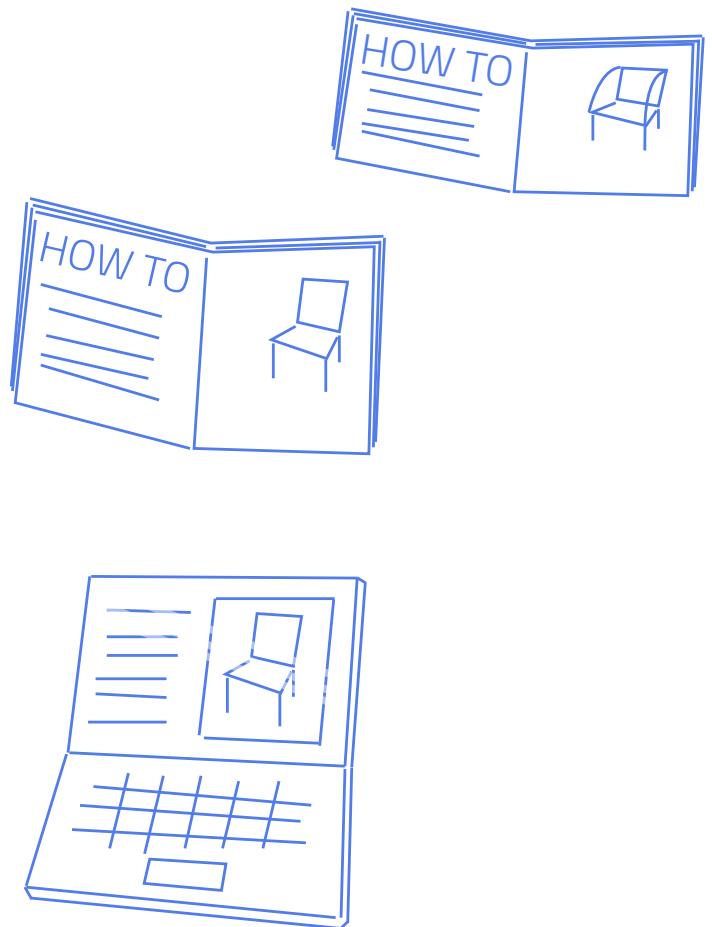

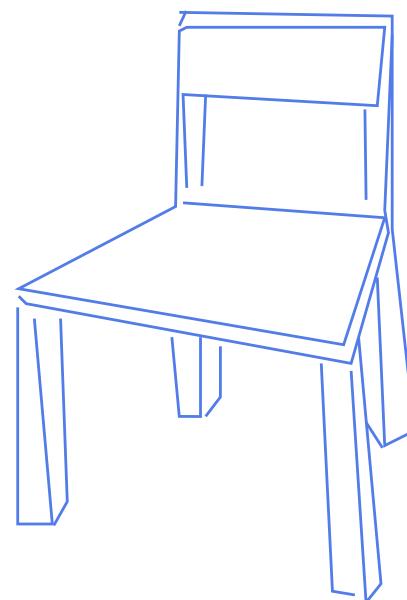

1. nachmachen

2. verändern

3. weitergeben

Wie funktioniert das
jetzt genau?

OPEN

= CREATIVE COMMONS

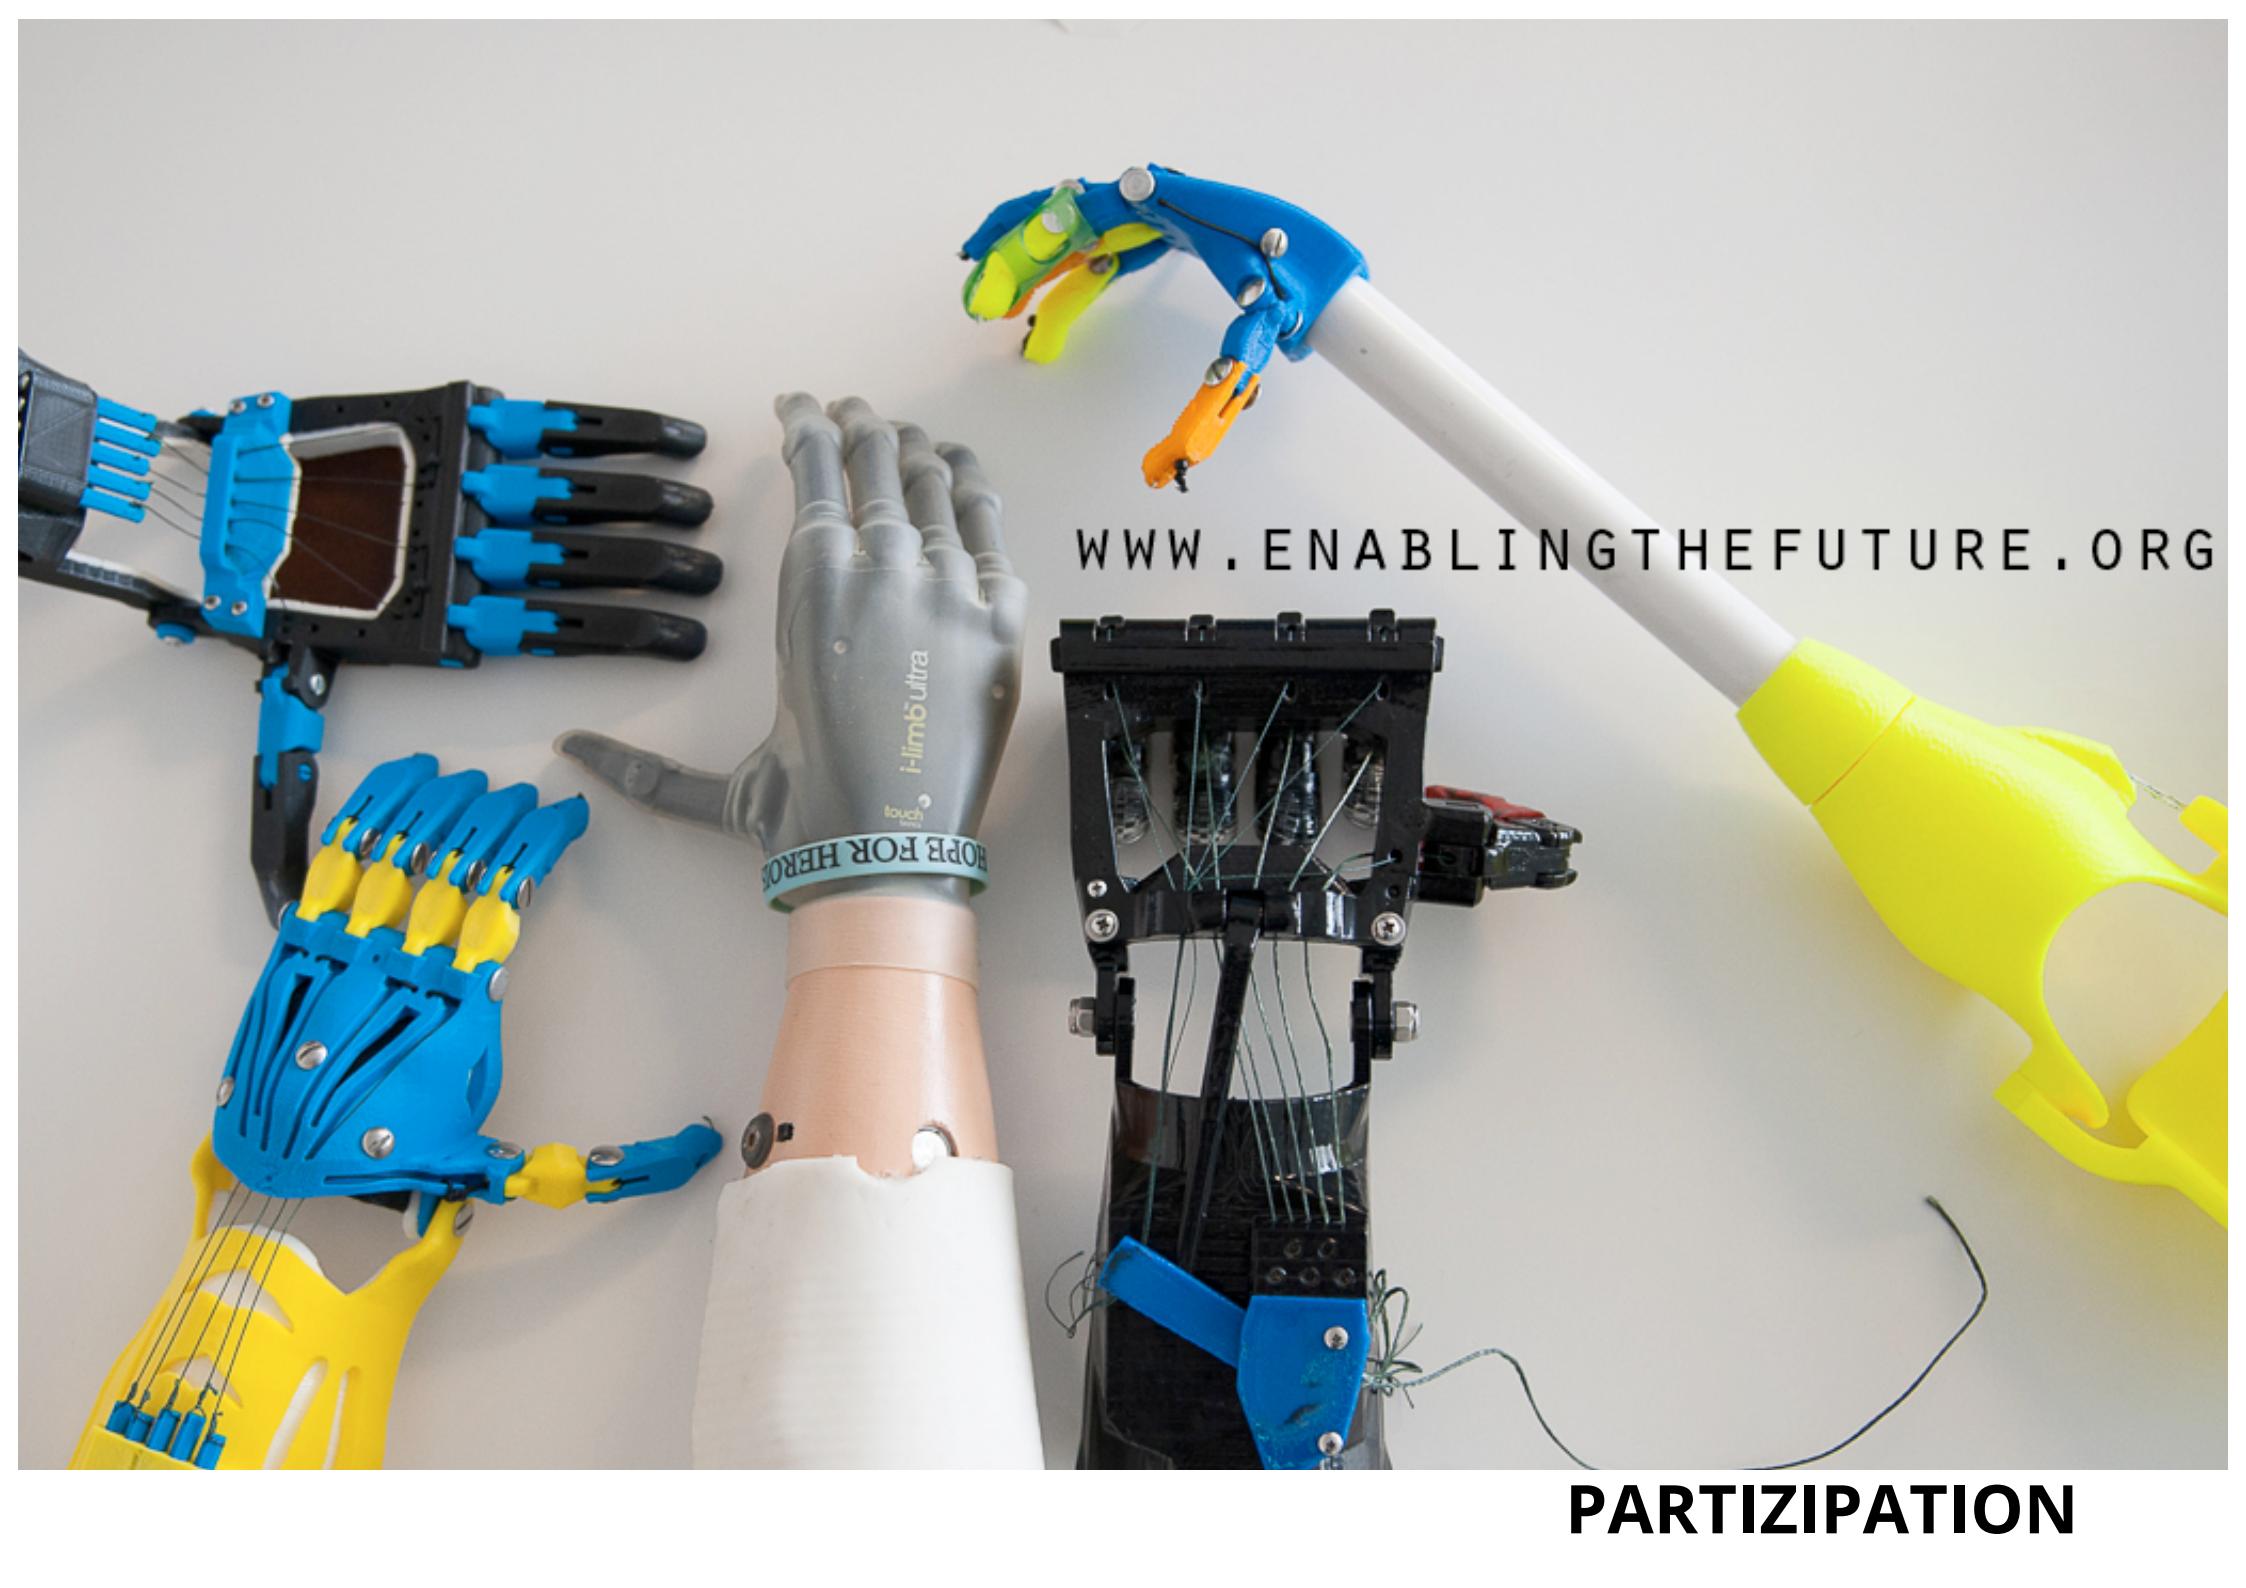

Warum überhaupt
etwas offen machen?

RECHTSSICHERHEIT

AUFMERKSAMKEIT

A photograph of several 3D-printed prosthetic limbs and hands. In the center is a grey i-limb ultra hand with a black forearm and a white elbow. To its left is a blue and yellow hand with a black forearm. Above it is a blue and yellow hand with a white forearm. To its right is a yellow hand with a white forearm. The background is a plain, light-colored wall.
